

# Hope

Intro – Am C

Am

Hope, hope that was late

C

taking my heart, making it ache

Am

It's just that I thought

That there would be more

C

Don't tell me it's over

F

When all of my beliefs have gone to waste

G

F

maybe I should bow the knee and pray

G

C

**and THEN just when hope was lost**

C7

F

**You walk into the room,**

Dm

**Breaking the locks,**

G

**Making it all shine**

**JOY joy that makes us strong  
with the strength to carry on  
running for You  
making us all shine**

Hope, the seed in my heart  
is calling for rain, to bring a new start  
My confidence grows  
For Lord, You are good  
there's no way it's over

F

Hope bringer

Peace maker

G

Joy starter

Life giver
